The world's most beautiful sea journey?

Set sail from Alesund to Geiranger on one of the world's most breathtaking sea journeys. Discover the stunning beauty of this UNESCO World Heritage site before enjoying a leisurely return by car with your private driver. Soak up the picturesque landscapes as you make your way back to Alesund. A perfect blend of land and sea, this exclusive experience will captivate your senses and create lifelong memories.

“That such nature actually exists...”

A memory for life ...

“Magical!”

Your journey begins with a pick-up in Alesund before we set sail towards the world-famous Geirangerfjord. Glide through breathtaking landscapes, spot seabirds, and admire iconic waterfalls as you listen to stories of the region's nature and history. Keep an eye on the water – you might even glimpse an orca or a pod of pilot whales!

Arriving in Geiranger, you can explore this UNESCO-listed wonder at your own pace, rent an electric car from eMobility, or join guided hikes and fjord excursions. Or simply unwind in comfort, soaking up the serenity of this spectacular setting. Stay for a night or linger longer – there's no rush, just endless possibilities. Hungry? During the summer season, a variety of dining options await you – from gourmet meals to quick, tasty bites. For a true taste of Geiranger, try the handmade, locally sourced wolffish cakes at the famous Fiskekakebuda.

When it's time to return, your driver will be waiting to take you on a scenic three-hour trip back to Alesund. Take in the breathtaking view from Ørnesvingen, where the fjord, waterfalls, and towering peaks create a picture-perfect panorama. A ferry crossing to Linge and a few more scenic stops complete your adventure. Back in Alesund, full of memories, you can wander through the elegant Art Nouveau streets or continue your journey along Norway's stunning coastline. Wherever you go next, this experience will stay with you. Welcome aboard!
